Welcome to MoFemmeBer! This is a fundraiser for the Queer Zine Archive Project, and a chance to read lots of queer zines and win some cool prizes.

1. Sign up here: <http://tiny.cc/mofemmeber16> so we can send you emails throughout MoFemmeBer, and add you to the list of participants.
2. Fill out the top of this handy form.
3. Ask your friends and family to sponsor you as you read. Folks can pledge an amount per zine, or a flat donation.
4. Read queer zines! Keep track of each one you read on the back of this handy form.
5. At the end of December, calculate how many zines you've read, and follow up with your sponsors. Collect the money and send it to QZAP along with this handy form:
6. Depending on how many zines you read, we will send you some wonderful prizes. We will also send a thank you notes or email to everyone who sponsored you.
